PARTS OF THE DAY

There are three friends in the picture - Paul, Mary and John. Mary gets up early every day. She has a dancing lesson after school. Paul starts his lessons at 8 o'clock and in the afternoon he plays football. John has for breakfast cornflakes and milk and then he goes to school. When he comes from school he plays the guitar. In the evening Paul watches TV, John does his homework and Mary reads a book.

What do they do?
